Josh

Checking status on early release letter. Need to get it in. Let's be sure to talk before submitting to insure it captures pertinent items.

Thanks
Ronye

> Please see attached sample of an early release letter for reference. The letter must be received 120 days prior to release. let me know if you have any questions. I believe the project schedule reflects a February release. Therefore, please be sure to letter is issued first week of November to meet 120 day notice.
